### Intro/Home Page

- Mockup B salon

### Tab Style

- Full Page Style
- Colors = preferably with the overlay, while a lighter hue also works
- More padding within each tab
- Show tab by default for the intro tab

### Images

- Ids to differentiate vertical and horizontal
  - Establish a set width/height

### Fonts

- Adobe font with the cursive handwriting title and typewriter headers
- Content/body font can be a lighter-weight typewriter or a similar serif font
